A FEW HINTS FOR COOKING CLASSES

1. Read all instructions carefully.
2. Display is important. Cakes can be displayed on boards supplied by the Show Society which are no larger than medium size paper plate.
3. For larger cakes - stiff cardboard, cut slightly larger than the cake and covered with foil is quite satisfactory.
4. Where there are several items in a class, look for uniformity both as to size and degree of cooking.

5. A slice should be a slice (not a square unless otherwise stated) approx 2-2.5cm x 7-7.5cm is a good size.
6. In classes such as slices and sweets, each pair should be identical.
7. Avoid cake rack markings. Only use paper on base for fruit cakes – lighter cakes use melted butter and flour method. No cooking sprays.
8. Iced cakes to be undecorated unless otherwise stated.

These tips would apply to both Open and Junior classes.
